

## Students receive Tablets

*Dar al Zahra students receive tablets to increase online learning opportunities as most of our students had limited or no access to a device during the Pandemic. The students can now take part in the online lessons as well as complete their homework on time.*

*The management would like to express our sincere gratitude to The Mainstay Foundation for sponsoring the tablets for all our students.*

## Another year ends...

With the grace of Allah (S.W.T), the academic year 2020-2021 comes to an end. During the second term, students of Board exam - Primary 6, Intermediate 3, and Preparatory 6 had physical and online classes. All other students continued with online studies until 30th June 2021. Students with special education needs of all grades came to school for one on one teaching and continued with online lessons.

The ministry of education has decided for non Board examination classes (Primary 1-5, Intermediate 1 & 2, and Preparatory 4 & 5 ) to take the midterm exam score as final results for the academic year 2020/2021. Primary 6 students sat for their final exams in June 2021. Intermediate 3 and Preparatory 6 shall sit for their final exams in July 2021.

During the blessed month of Ramadhan, Dar al Zahra students continued online classes with additional Holy Quran/Dua memorization and recitation sessions. Students participated in various online holy Quran, daily duas, nasheeds, and art competitions, and their results were posted in the telegram groups and on social media to motivate the students.

We continue to pray to the Almighty [swt] to keep all the Mo'mineen under His protection during these challenging times, save us all from the COVID-19 disease and keep us in good health. May He cure all who are ill and restore them to good health, Ameen.
