

## NEWSLETTER QUARTERLY UPDATE

### WARM HEARTS AND BRIGHT FUTURES

Dar al-Zahra serves as a dedicated safe space where orphan students receive a high-quality modern education alongside the daily support they need to thrive. We focus on meeting the practical needs of every orphan, ensuring they can study in a secure and encouraging environment.

The success of this mission is reflected in our graduates, who are now moving forward into higher education at respected universities or starting their professional careers. These students have worked hard to reach this stage, and we remain committed to supporting their transition into independent lives.

As the cold weather settles in Najaf, we are pleased to share that through community generosity, every student has been equipped with a warm winter jacket to protect them during the cold days. Your continued help allows us to provide the resources and guidance necessary for them to turn their academic foundation into long-term success.

#### SPONSOR AN ORPHANS EDUCATION TODAY!

Education is more than a gift; it is the key to breaking cycles and opening doors that were once closed. Your support provides the orphans of Najaf with the tools they need to lead and thrive. Together, we can transform lives. Help us turn their obstacles into opportunities. Support an orphan today to become the leader of tomorrow.

### Ramadan Food Distribution 2026

One Bag of Kindness: Bringing Hope to a Family

**USD 65 CAD 80 GBP 50**

Donation link: [www.dar-al-zahra.org/donate](http://www.dar-al-zahra.org/donate)

This Ramadan, illuminate the lives of families in Najaf with the gift of hope and nourishment.

Like every year, Dar al Zahra Charitable School is on a mission to deliver over 6,000 food parcels to families in need, ensuring they can focus on their spiritual journey during the sacred month. Each parcel provides enough food for a family of five throughout the month of Ramadan.

Your donations, no matter how big or small, can make a difference in the lives of these families. Please donate today and help us illuminate this Ramadan with the light of your kindness.

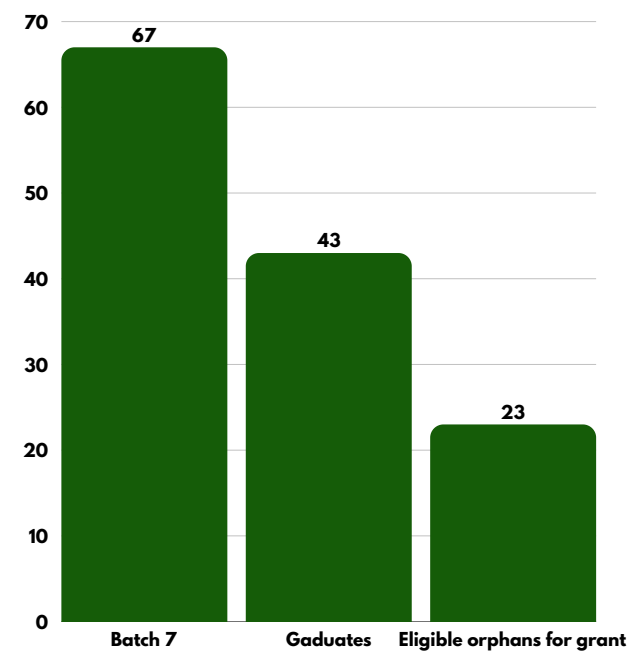

**Add bags in your name!**

## FROM SCHOOL TO UNIVERSITY: BATCH 7 EMBARKS ON NEW HORIZONS

We are overjoyed to announce the successful graduation of our esteemed Grade 12 – Batch 7 students from Dar al Zahra. These young minds are not only university-ready but also equipped to become leaders of tomorrow. As they embark on their higher education journeys at various Iraqi universities, Dar al Zahra is supporting them with cash grants to assist with their academic pursuits and living expenses.

23 orphan students are eligible for a grant from the batch. 67 students appeared in the exam from the school, out of which 43 graduated, and 18 have secured admissions until now and are ready to start university.

17	Maryam Adnan Kazem	72	University of Kufah	Pathological Analysis
18	Murtaza Hassan Awdeh	71	University of Kufah	Maths

## GROWING TOGETHER: OUR CAMPUS GETS GREENER!

Our campus is looking a little greener, thanks to the dedicated work of The Green Pilgrims, whose contribution was vital in making it a success. Our students, who successfully planted 26 new saplings across the school grounds.

This hands-on plantation activity allowed students to step outside the classroom and take direct action for the environment, fostering a deeper sense of responsibility for our local ecosystem. These new plants will provide shade, improve air quality, and serve as a living laboratory for future science lessons as we watch them grow alongside our students.

This meaningful project was a commitment to environmental stewardship that provided the necessary resources to bring this initiative to life, inspiring our students to prioritize sustainability. We are incredibly grateful for the support of The Green Pilgrims and look forward to continuing our journey toward a cleaner and greener environment.

# GLOBAL KINDNESS FOUNDATION: 10 DAYS MEDICAL CAMP

In the month of October, our campus was transformed into a vibrant center of healing during the Global Kindness Foundation’s (GKF) annual ten-day medical camp. Skilled dentists, physicians, audiologists, and opticians provided comprehensive screenings for our students, resulting in life-changing care.

This year, the dental team addressed complex, specialized cases, treating 141 sedation and 113 non-sedation students, 166 endo procedures, 330 extractions, 359 X-rays, and 38 hygiene scaling units. The optical team screened and provided glasses to 159 students, while our hearing health also received a significant boost as audiologists donated 17 pairs of hearing aids, five of which have already been adjusted and fitted for students and a staff member in need.

We extend our deepest gratitude to GKF for their generous commitment to the well-being of our students. This annual visit is a powerful testament to the transformative impact of collaboration and the profound power of kindness. By providing these vital resources—including the 17 pairs of hearing aids—the GKF ensures our students can see, hear, and smile more brightly as they pursue their education.

## AYYAM E FATIMIYAH

اعظم الله أجورنا وأجوركم باستشهاد السيدة فاطمة الزهراءعليها السلام

The Dar al Zahra Schools community observed the martyrdom anniversary of Sayyeda Fatima Zahra (s.a.), the Lady of Light, with deep sorrow and heartfelt tributes. Students and teachers organized poignant majlises within the school premises, filled with the recitation of heartfelt latmiyachs reflecting their grief. The preparatory girls, accompanied by their female teachers, participated in a special Majlis held at the holy shrine of Ameerul Mo'meneen Imam Ali (a.s)

## BULOUGH CEREMONY

In celebration of the birth anniversary of Sayyeda Fatima Zahra (a.s), we were honored to host a radiant Buloogh ceremony for 55 orphan girls as they embarked on their journey of spiritual maturity. The atmosphere was filled with joy as the girls performed soulful nasheeds and engaged in interactive activities, culminating in an insightful address and Zuhur prayers led by Sheikh Ali al-Najafi, who offered heartfelt guidance to our students. Our girls also joined a monumental gathering of 3,000 buloogh girls at the Holy Shrine of Imam Ali (a.s) for the annual Buloogh event, marking this significant milestone with a deep sense of divine grace.

To recognize academic excellence, Intermediate 3 students received laptops, while Primary 6 boys were awarded bicycles, and girls received gold earrings. A delightful takeaway lunch was enjoyed by all as a celebratory treat.

## UPDATES FROM DAZ MEDICAL CLINICS

Our dedicated in-house school clinics, in both the girls' and boys' schools, are committed to the comprehensive health and well-being of every student. Our professional medical team is always on hand to provide immediate first aid, address minor injuries, and manage sudden illnesses, including professional dental care to ensure your child's smile stays as healthy as their spirit. By offering on-site medical and dental support, we provide a convenient and supportive environment that minimizes classroom disruptions and keeps our children safe, healthy, and ready to focus on their learning.

## OUR NEW DENTAL CLINIC IS OPEN!

### GRADUATES RETURN TO LEAD OUR DENTAL CLINIC

Dar Al Zahra is proud to announce the opening of our new dental clinic with the generous support of the Global Kindness Foundation. This facility allows us to advance our mission for the orphans of Najaf by providing daily dental care and ensuring healthy smiles throughout our school. We are strictly following all medical protocols to provide the highest standard of care, ensuring that our students receive professional treatment in a safe and supportive environment.

The most rewarding part of this milestone is our incredible team of three dentists, two of whom are graduates of Dar Al Zahra, who completed their professional medical training and have returned as dentists in our dental clinic. Their journey from students to practicing dentists is a powerful testament to our mission's success, providing both essential healthcare and a brilliant example of hope for all our current orphan child.

## MEET OUR DENTISTS!

**Dr. Muhaymen Ali Hussein (BDS) - DAZ Alumni**

A DAZ graduate who joined as a 6-year-old with the beginning of school. He has grown with the school and now leads our new dental clinic, proving that when we grow together, the sky is the limit.

*"I've grown up alongside DAZ since I was six, and today, I'm proud to return as a dentist. It's a privilege to serve the school family that has been with me every step of the way."*

**Dr. Dunia Sabeeh (BDS) - DAZ Alumni**

We are proud to welcome her back to campus to our new dental clinic. Her journey from these classrooms to a career proves that at DAZ, we grow together toward limitless heights.

**Dr. Zahra Reda Anwer (BDS)**

With a dental degree from India and a heart for service, Zahra is now dedicating her specialized expertise to providing essential dental care for our orphan students.
