Congratulations You Made Us Proud!

Another year ends...

With the grace of Allah (S.W.T), another fantastic and productive academic year comes to a close, our students and staff can enjoy a very well earned break. We commend the wonderful effort made throughout the year by both our wonderful students and teachers.

During the blessed month of Ramadhan (April), all the students and staff received a food basket sufficient for a family for the month. Students continued classes with additional Holy Quran/Dua memorization and recitation sessions. Students participated in various holy Quran, daily duas, nasheeds, and art competitions. The students activities were also posted in the telegram groups and on social media to motivate the students. May Almighty Allah (S.W.T) accept all our humble efforts made in the Holy month of Ramadhan and grant us forgiveness, Ameen.

During May, all the students except the board classes (primary 6, intermediate 3, and preparatory 6) sat for their final exams in school. Primary 6 and Intermediate 3 students sat for their board exam in June and grade 12 students shall sit for their board exams in July 2022. We wish them the best of luck.

Grade 9 students of the year 2020-21 who scored above 80% in the Board exam were recognized and awarded laptops to motivate them to study and become tomorrow's leaders.

We would like to say a big thank you to all our incredible staff who have worked tirelessly and diligently throughout the year to provide outstanding education, medical care, and nutrition to all of our students. Thank you to all of our students for committing to improving and striving for excellence in your studies. Finally thank you to our sponsors and donors for your continued generous contributions to uplifting the orphans of Najaf.

Dar Al Zahra schools arranged a Quran competition in both schools during the holy month of Ramadhan. primary section students were given suras to memorize with correct Tajweed classwise accordingly before the competition day. During the competition day, the students recited the suras in the presence of the judges and the winners were acknowledged and all the participants rewarded.

May Allah (S.W.T) increase our tafweeq to recite, understand the Holy Quran and implement its teachings in our daily lives. Ameen

Eid celebrations

DAZ students and staff celebrated and enjoyed a wonderful Eid party at the school. The students created beautiful memories with teachers & friends.

The party had different booths for games, activities, crafts, an art corner, a photo booth, and lots of gifts, snacks, Eidi, and Lunch box takeaway given to students to share the meal with family at home.

There is nothing more rewarding than seeing an orphan's face brighten as they are given eidi. Dear donors & sponsors, thank you for gifting joy and smiles!

DAZ Annual Store Day 2022

This year, the students collected points throughout the term for academics, attendance, behavior, and extra curriculum activities. These points were used to purchase items from the school's exclusive annual market day.

on 1st June, DAZ girls students were called to the school to collect their final results and shop at the store. The next day, the boys were called to collect their report cards as well as shop at the store. The boys were the most excited in the sports department purchasing from football to sportswear.

It was beautiful to witness the children purchasing items for their mothers, siblings, and teachers before themselves. One of the memorable scenes was to see the excitement of a 6-year-old boy of primary 1 purchasing an abaya for his mother.

A thank you shoutout to all the staff for working tirelessly to make an outstanding experience for the orphans at the DAZ annual store.
