

QUARTERLY UPDATE

The objective of Dar al Zahra schools is to develop skilled professionals and future leaders who prioritize their mental health. The schools provide comprehensive development programs to cultivate critical thinking and leadership skills among their students.

MID TERM RESULTS

Recently, the schools organized various events and activities for their students. In January, students were acknowledged for their academic achievements and awarded DAZ points, which they could redeem at the one-day DAZ Mall in school. This was indeed a beautiful moment for the students and brought smiles to their faces.

REMEDIAL EDUCATION

Our school recognizes that academic struggles can have a significant impact on a student's mental health and overall well-being. Therefore, we have taken a proactive approach to support those students who are facing academic challenges. We provide counseling and remedial classes to enhance their understanding and confidence. We are grateful to our dedicated teachers, counselors, and supervisors who have played a crucial role in providing academic and social-emotional support to our students.

UPCOMING EVENTS

Quran City

Eid Celebrations

Science Exhibition

Final Exams

Dental Camp - GKF

GRADUATION

The graduation ceremony for batch 2022 took place on the birth anniversary of Sayyeda Fatima Zahra (AS) where students received certificates and scholarships for their achievements. This marked a proud moment for the school. We wish our graduates the best of luck in their further studies.

ACADEMIC ACTIVITIES

Science Day - Science days are a fantastic opportunity for students to explore and learn about science in a hands-on and engaging way. Students were engaged in participating in experiments, dissections of fish and pigeons, and learning about their organs and differences.

SPORTS DAY

Sports days were organized for girls and boys to encourage participation in sports and promote a sporting culture on campus. Popular activities were football, basketball, egg and spoon race, and tug of war.

BULOUGH CELEBRATIONS

It was a thrilling day for our adolescent students as the school premises were adorned and well-prepared for the festivities. The girls celebrated the Bulough ceremony, which occurs on the birth anniversary of Sayyeda Fatema Zahra (AS), while the boys celebrated the occasion of the birth anniversary of Imam Zamana (AS).

The students demonstrated their skills and talents by performing nasheeds, skits, and poems. The day culminated with a delightful spread of pizza, Kentucky fried chicken and sweet treats. We express our gratitude to our sponsors for their generous contributions towards this event

FOOD DISTRIBUTION 2023

In the month of Rajab food parcel was distributed to students of DAZ.

During this Mahe Ramadhan, we distributed 5,000 food parcels that included essential food items like rice, oil, lentils, and sugar in Najaf. With your support, we were able to provide food to the needy and orphans.

Furthermore, a total of 3,500 whole raw chickens were distributed to the students as well as to unprivileged homes during the Qadr nights.
