Students sit for Midterm Exams

In January, students attended three alternative days on campus as well as continued with e-learning. Najaf al-Ashraf, Iraq shut down schools for a second time in February 2021 due to COVID-19 new variant spread in the country. The Ministry of Education announced to postpone the midterm exams and urged to continue with lessons online to limit the community transmission of COVID-19.

In mid-March, the Ministry of Education announced that schools should conduct physical midterm exams on campus with strict Covid-19 precaution and social distancing. Students started exams on March 20, 2021 and ended on March 31, 2021.

As we have done throughout this pandemic, we will continue to follow the advice of the Ministry of Health and adhere to all the precautions for the safety of our children and staff at Dar al Zahra Schools. Entrance sanitization booth, temperature checks are being taken at the schools, mask, and social distancing is being implemented throughout the day.

We continue to pray to the Almighty [swt] to keep all the Mo'mineen under His protection during these challenging times, save us all from the COVID-19 disease and keep us in good health. May He cure all who are ill and restore them to good health, Ameen.

Khushali Mubarak

Dar al Zahra Schools would like to congratulate you on the auspicious birthdays of our Ahlulbayt (a.s) in the blessed months of Rajab & Shabaan. Students celebrated the wiladats of the Ahlul Bayt (a.s) with the recitation of poems, nasheed, and creating amazing artwork. These activities are posted on our school's Facebook and Instagram page (dar.al.zahra).

Girls Buloogh ceremony

Dar al Zahra Schools celebrated the birth anniversary of our beloved Lady of Light - Fatima Al Zahra (peace be upon her). This year, the celebrations included class activities and artwork.

There was a "buloogh" ceremony for our girls who are coming of age where they were educated about Taqleed and mandatory acts. The girls were presented with roses, namaaz zhadaar & abaya.
